

SACRED HEART PARISH IS CALLED TO SERVE AS CHRIST

Sacred Heart Parish intends to accomplish the following project with its parish share:

RENOVATION OF RESTROOMS IN OFFICE BUILDING \$178,481

The parish office building was built in the 1960s and the restrooms are original and have never been updated. Over the years we've done basic maintenance, replaced plumbing, resealed the fixtures, etc. but they are now in dire need of renewal, particularly in light of the ADA law. Some parishioners have expressed a concern that the restrooms are currently not accessible for parishioners with disabilities. Our plan in updating the office building restrooms is not only to make them modern and fresh but also accessible to all of our parishioners.

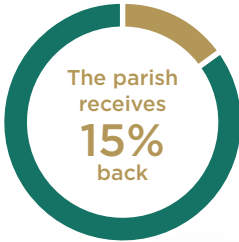

The renovation of the office building restrooms is part of our responsibility to exercise good stewardship of the parish campus for the present and for a long time to come. The funds we will receive as part of the *Called to Serve as Christ* campaign provides us the perfect opportunity to address this important need and make our parish campus all that more welcoming and accommodating.

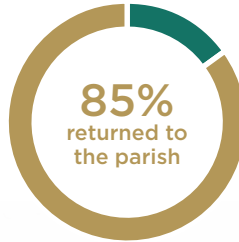

OUR PARISH CAMPAIGN GOAL: \$1,189,940

All gifts to the *Called to Serve as Christ* campaign will support pension and medical needs of priests and sisters. In addition, fifteen cents of every dollar collected by Sacred Heart will be used to address our needs. **When we exceed our campaign goal, eighty-five cents of each dollar raised will be returned to our parish.**

MORE THAN
100% OF GOAL

"The *Called to Serve as Christ* campaign will provide retirement and medical benefits for the priests of the archdiocese for decades to come, even for the needs of those young men in our parish that might someday become priests. Women religious that have served our archdiocese will benefit too, such as the religious at St. Placid Priory. Your generosity in giving to this campaign will be a legacy of support for those that have faithfully served the Church in Western Washington."
