

SAINT MICHAEL PARISH IS CALLED TO SERVE AS CHRIST

Saint Michael Parish intends to accomplish the following projects with its parish share:

SUPPORT FOR TRANSITIONAL HOUSING WITH CATHOLIC COMMUNITY SERVICES \$139,226 (25% OF OUR PARISH SHARE)

Responding to the Gospel call to loving and compassionate service rooted in the Church's social teaching, we will partner with Catholic Community Services and other Catholic entities in the local community to assist in providing opportunities for transitional housing and integrated services. "Whenever you did this to one of the least of these sisters and brothers of mine, you did it to me." (Matthew 25:40)

PROVIDING ACCESS TO CATHOLIC EDUCATION FOR PARISH FAMILIES \$417,679 (75% OF OUR PARISH SHARE)

Saint Michael School has been an essential ministry of the parish for nearly 100 years and the only ministry of the parish that is not fully funded through stewardship. One goal of our 2026 Strategic Plan is to fully fund access to Catholic education for all active and participating (stewardship) parish families who desire. This money will assist in achieving a viable and sustainable model for this ministry.
